CONTINUITY OF COVERAGE

(Transferred Coverage from a Prior Plan to this Plan)

This provision provides continuity of coverage when You are in Active Employment when the Policyholder transfers prior group insurance to this plan, or by an Employer which has merged with or otherwise combined with the Policyholder. If Your coverage under the policy replaces any prior coverage that You had, the following rules apply:

What if You are not in Active Employment when Your Employer Replaces Insurance Coverage with Our Policy? (Continuity of Coverage)

If You are not in Active Employment due to Injury, or Sickness on the date Your Employer changes insurance carriers to Our policy, and You were covered under the Prior Policy at the time Your Employer's coverage under Our policy became effective, We will provide continuity of coverage under Our policy. In order for this provision to apply, the Prior Policy's coverage must be similar to Our policy.

If You are not in Active Employment due to Injury, or Sickness on the effective date of Our policy, and You would otherwise be eligible to become insured under Our policy, We will provide Limited Coverage under Our policy. Coverage under this provision will begin on Our Policy Effective Date and will continue until the earliest of:

- the date You return to Active Employment; or
- the end of any period of continuance or extension provided under the Prior Policy.

If You are not in Active Employment due to Leave of Absence or Temporary Layoff on the date Your Employer changes insurance carriers to Our policy, and You were covered under the Prior Policy at the time Your Employer's coverage under Our policy became effective, We will provide continuity of coverage under Our policy. In order for this provision to apply, the Prior Policy's coverage must be similar to Our policy.

If You are not in Active Employment due to Leave of Absence or Temporary Layoff on the effective date of Our policy, and You would otherwise be eligible to become insured under Our policy, We will provide Limited Coverage under Our policy. Coverage under this provision will begin on Our Policy Effective Date and will continue until the earliest of:

- the date You return to Active Employment; or
- the end of any period of continuance or extension provided under the Prior Policy; or
- the date coverage would otherwise end, according to the provisions of Our policy.

Your coverage under this provision is subject to payment of premium.

For the purposes of this provision the following definition applies:

Limited Coverage means benefits payable will be paid as if the Prior Policy had remained in effect and You continued to be insured under that policy. We will reduce Your payment by any amount for which the prior carrier is liable.

If coverage ends under this provision, or if You were not covered under Your Employer's Prior Policy on the date that policy terminated, the Effective Date of Your Insurance provision will apply.

How Does the Pre-Existing Condition Limitation Work If You were Covered Under Your Employer's Prior Plan? (Continuity of Coverage)

You may be eligible for a Monthly Benefit if Your disability results from a Pre-Existing Condition if, You were:

- in Active Employment and insured under the plan on its effective date; and
- insured by the Prior Policy at the time of change.

In order to receive a Monthly Benefit You must satisfy the Pre-Existing Condition provision under:

1. Our plan; or
2. the prior carrier's plan, if benefits would have been paid had that policy remained in force.

If You do not satisfy item one or two above, We will not pay benefits under Our plan.

If You satisfy item one, We will determine Your benefits according to Our plan provisions.

If You only satisfy item 2, We will administer Your claim according to Our plan provisions. However, Your Monthly Benefit will be the lesser of:

- the Monthly Benefit that would have been payable under the terms of the Prior Policy if it had remained in force; or
- the Monthly Benefit under Our plan.

Your benefits will end on the earlier of the following dates:

- the end of the Maximum Monthly Benefit under this plan; or
- the date benefits would have ended under the Prior Policy if it had remained in force.

How Does the Pre-Existing Condition Limitation Work If You were Covered Under Your Employer's Prior Plan?

Special rules apply to Pre-Existing Conditions, if this Long-Term Disability Income plan replaces Your Employer's Prior Policy and

- You were covered by that plan on the day before this plan became effective; and
- You became covered under this plan within 31 days of its effective date.

The special rules are:

1. If the Employer's did not have a Pre-Existing Condition exclusion or limitation, then a Pre-Existing Condition will not be excluded or limited under this plan.
2. If the Employer's did have a Pre-Existing Condition exclusion or limitation, then the limited time does not end after the first 5 days – 12 months of coverage. Instead, it will end on the date any equivalent limit would have ended under the Employer's.
3. If the change from Your Employer's to this plan of coverage would result in an increase in Your amount of benefits, the benefits for Your disability that is due to a Pre-Existing Condition will not increase. Instead, the benefits are limited to the amount You had on the day before the plan change.

If You Have a Disability Due to a Prior Disability After Your Employer Replaces Insurance Coverage with Our Policy (Credit for a Prior Disability)

You do not have to complete the Elimination Period under this plan if, after Your disability ended under the Prior Policy for which You received a disability benefit, You:

- are not eligible for successive benefits under Your prior carrier's policy; and
- returned to work for Your Employer for 14 consecutive days or less; and
- become disabled under the terms of this plan due to the same cause(s) as Your prior disability.

We will require proof that You received disability income benefits for the prior disability under the Prior Policy.

All other provisions of Our policy will apply.

When Continuity of Coverage Ends

You will remain covered under this Continuity of Coverage provision until the first to occur:

- the date You return to Active Employment at which time insurance in effect under the policy will not be subject to Prior Plan provisions or benefit limitations;
- the last day of a period of 12 consecutive months which begins on the Policy Effective Date, at which time coverage under the policy will also end;
- the date insurance would otherwise end for You in accordance with the terms and conditions of this certificate, at which time coverage under the policy will also end;
- the date on which insurance would have ended under the Prior Plan, had the Prior Plan not terminated at which time coverage under the policy will also end; or
- if the Prior Plan provided for extension of insurance without premium payment during a period of disability, on the earliest of:
 - (a) the date You are approved for such benefit under the terms of the Prior Plan; and
 - (b) the last day of the 12-month period following the Policy's Effective Date, and coverage under the policy will also end.

Duplication of Coverage

If You qualify for benefits under the Prior Plan such that a duplication of coverage situation exists after coverage begins under the policy, You must exercise Your rights under the Prior Plan and duplicate benefits will not be payable under the policy.

Coverage under the policy will not take effect if Your coverage under the Prior Plan is continued under any disability income provision or You have enrolled in a conversion plan option with the Prior Plan.

Premium Payments

Premium payments are required for all Insured Persons during the period Continuity of Coverage under this provision is in effect. We will not waive premium during the period coverage is continued.

CONTINUATION OF COVERAGE BY THE POLICYHOLDER

The Policyholder has elected to continue Your insurance for any of the reasons specified below.

Premium will continue to be paid to Us by the Policyholder on Your behalf.

When Will Your Coverage Continue If You Are Temporarily Not Working?

If premium payments continue to be made on Your behalf, We may deem Your employment to continue for purposes of remaining eligible for coverage under this plan as described below.

If You Are Not in Active Employment Due to a Sickness or Injury or Other Authorized Leave

If You are not in Active Employment due to Sickness or Injury or other authorized leave as agreed to by Your Employer, Your coverage may continue up to a maximum of 12 weeks from the start of Your absence.

Continuation of Coverage While on a Family and Medical Leave of Absence

We will continue Your coverage in accordance with the Policyholder's policy on family medical and military leaves of absence if premium payments continue and the Policyholder approved Your leave In Writing.

If You were granted a Leave of Absence according to the "Family and Medical Leave Act of 1993", Your coverage will continue under this provision for the balance of Your leave.

Coverage will be continued until the end of the later of:

- the leave period required by the federal Family and Medical Leave Act of 1993 and any amendments; or
- the leave period required by applicable national, state or local law, or any similar law, plan or act.

If the Policyholder's policy does not provide for continuation of Your coverage during a family and medical Leave of Absence, Your coverage will be reinstated when You return to Active Employment.

For the above exceptions to apply, You must request to reinstate Contributory coverage within 31 days of Your return to active work.

Continuation of Coverage While On Leave During Military Service

We may continue Your insurance, if applicable, in accordance with the Policyholder's policies regarding leave of absence for Military service under the Uniformed Services Employment and Reemployment Rights Act (USERRA) and applicable state law. Premiums must be paid for continued coverage for You. Coverage may be continued until the end of the period required by USERRA. If Your coverage is not continued during a Leave of Absence for active military service, and You return to Active Employment, Your coverage shall be reinstated in accordance with USERRA and applicable state law.

If Your Employer has approved more than one type of Leave of Absence for You during any one period that You are not in Active Employment, We will consider such leaves to be concurrent for the purpose of determining how long Your coverage may continue under the policy.

Concurrent Leaves

If Your Employer has approved more than one type of Leave of Absence for You during any one period that You are not in Active Employment, We will consider such leaves to be concurrent for the purpose of determining how long Your coverage may continue under the policy.

End of a Continuation Period

Continuation Insurance will end on the earliest of the following:

- the date Your continuation leave ends;
- the date the Policyholder ceases to pay Your premiums, or otherwise terminates Your insurance;
- the date You cease to pay Your premiums, or You terminate Your insurance;
- the maximum continuation period has been reached;
- the date the Employer ceases to be an Affiliated Employer under the policy; or
- the date the policy or this plan terminates.

At the end of any of a continuation period if You resume Active Employment in an Eligible Class You will continue to be covered under the policy.

If You do not resume Active Employment in an Eligible Class at this time, Your employment will be considered to end, and all insurance will end in accordance with the provision Date Insurance Ends.

In no event will Your coverage under the policy be continued beyond the date Your coverage would otherwise end according to the terms of the When Does Your Coverage End provision.

Waiver of Premium

If We approve Your claim, We will not require further premium payments for You while You remain disabled according to the terms and provisions of the policy. Your disability income insurance amount will not increase while Your disability income insurance premiums are being waived. Your disability income insurance amount will reduce or cease at any time it would reduce or cease if You had not been disabled. Premiums waived under this provision will not be deducted from any benefits paid under the policy.

When Does Your Waiver of Premium End?

Your Waiver of Premium will automatically end on the earliest of the following:

- the date You are no longer disabled;
- the date You fail to submit Proof of continuing disability;
- The end of the Maximum Period of Payment shown in the Schedule of Benefits; or

ELIMINATION PERIOD

How Long Must You Be Disabled Before You Are Eligible to Receive Benefits?

You must be continuously disabled through Your Elimination Period. The days that You are not disabled will not count toward Your Elimination Period. We will treat Your disability as continuous if Your disability stops 30 days or less during the Elimination Period. No benefit is payable for or during the Elimination Period.

Your Elimination Period is described in the Schedule of Benefits.

Interruption of Elimination Period

Interruption Period: If, during the Elimination Period, You return to Active Employment for less than 30 days, then the disability will be treated as continuous. Days that You are in Active Employment during this interruption period will not count towards the Elimination Period.

Can You Satisfy Your Elimination Period If You Are Working?

Yes. If You are working while You are disabled, as defined under this plan, the days You are disabled will count toward Your Elimination Period.

When Will You Begin To Receive Benefits?

The benefit payable is the Monthly Benefit shown in the Schedule of Benefits The Monthly Benefit is based on Your Monthly Earnings.

You will begin to receive benefits when Your claim is approved, providing the Elimination Period has been satisfied, You are under the Regular Care of a Physician, and You are disabled as defined in this certificate. We will send You a Monthly Benefit for any period for which We are liable, but not beyond the Maximum Period of Payment shown in the Schedule of Benefits. No benefit is payable during the Elimination Period.

After the Elimination Period, If You are disabled for less than 1 month, We will send You 1/30th of Your Monthly Payment for each day of Your disability.

If You are receiving, or are eligible to receive, benefits for a disability under a prior disability income plan that was sponsored by Your Employer, or You were terminated before the Effective Date of this plan, then no benefits will be payable for the

disability under the policy.

What Is the Maximum Period of Payment?

You will receive a benefit for each month You remain disabled up to the Maximum Period of Payment.

- You were continuously insured under the plan for the period between the end of Your prior claim and Your Recurrent Disability; and
- Your Recurrent Disability occurs within 6 months from the end of Your prior claim; and
- the policy remains in force.

Your Recurrent Disability will be subject to the same terms of the plan as Your prior claim and will be treated as a continuation of that disability.

Any disability, which occurs after 6 months from the date Your prior claim ended, will be treated as a new claim. The new claim will be subject to all the policy provisions, including the Elimination Period.

If You become covered under any other group long term disability income plan, You will not be eligible for benefits under this disability income plan.

How is Your Benefit Determined?

We will follow this process to calculate Your benefit amount:

1. Multiply your Covered Monthly Earnings by the Monthly Benefit percentage shown in the Schedule of Benefits. The maximum Monthly Benefit is listed in Your Schedule of Benefits.
2. Compare the answer from Item 1 with the maximum Monthly Benefit. The lesser of these two amounts is Your Gross Monthly Benefit.
3. Subtract any Deductible Sources of Income from Your Gross Monthly Benefit.

The amount figured in Item 4 is Your Monthly Benefit. The Monthly Benefit will be recalculated when Your income changes or You receive any new Deductible Sources of Income.

How is Your Benefit Determined if You Are Disabled and Working?

If you have a partial or residual disability, you may continue to work or return to work and still be eligible collect your monthly benefit. Your monthly benefit may be reduced if while benefits are payable, if you earn income from the employer, or another employer for which you become employed after your disability began.

For the first 12 months of payable benefits:

1. If you are disabled and return to work, we will not reduce your monthly benefit for Disability Earnings if:
 - your monthly Disability Earnings, if any, are less than 20% of your indexed monthly earnings due to the same Sickness or Injury; and
 - you have satisfied the Elimination Period.
2. If you are disabled and your monthly Disability Earnings are 20% or more of your indexed monthly earnings, due to the same sickness or injury, we will calculate your monthly benefit as follows:
 - During the first 12 months of payable benefits, while working, your Monthly Benefit will not be reduced by your Disability Earnings as long as Disability Earnings plus the Gross Disability Benefit does not exceed 100% of Indexed Monthly Earnings.
 - 1) Add your monthly Disability Earnings to your Gross Disability Benefit.
 - 2) Compare the answer in item 1) to your Indexed Monthly Earnings.

If the answer from item 1) is less than or equal to 100% of your Indexed Monthly Earnings, we will not further reduce your Monthly Benefit.

If the answer from item 1) is more than 100% of your Indexed Monthly Earnings, we will subtract the amount over 100% from your Monthly Benefit.

After benefits have been payable for 12 months, while working, the amount of your Monthly Benefit will change, and we will consider a portion of your Disability Earnings to be a Deductible Source of Income.

Fifty percent of your Disability Earnings will be added to your other Deductible Sources of Income, if any. The sum will be deducted from your Gross Disability Benefit. This amount will be your Monthly Benefit.

We may require you to send proof of your Disability Earnings on a monthly basis. We will re-calculate your benefit each month and adjust your Monthly Benefit based on your monthly Disability Earnings.

As part of your proof of Disability Earnings, we can require that you send us appropriate financial records, including copies of your IRS federal income tax return, W-2's and 1099's, which we believe are necessary to substantiate your income.

After the Elimination Period, if you are disabled for less than one month, we will send you 1/30th of your monthly benefit for each day of disability.

When Will Your Monthly Benefits End If Working While Disabled?

During the Regular Occupation Period, if Your monthly Disability Earnings exceed 80% of Your Indexed Monthly Earnings, We will stop Your benefits and Your claim will end.

How Can We Protect You If Your Disability Earnings Fluctuate?

If Your Disability Earnings routinely fluctuate widely from month to month, We may average Your Disability Earnings over the most recent 3 months to determine if Your claim should continue.

If We average Your Disability Earnings, We will not terminate Your claim unless the average of Your Disability Earnings from the last 3 months exceeds 80% of Indexed Monthly Earnings. We will not pay You a benefit for any month during which Disability Earnings exceed 80% of Indexed Monthly Earnings.

We will not pay You for any month during which Disability Earnings exceed the above amounts. The Minimum Monthly Benefit will not be paid when Disability Earnings exceed the above amounts.

Total Monthly Benefit

If You are eligible to receive benefits under the policy in addition to the Monthly Benefit, the total benefit payable to You on a monthly basis (including all benefits provided under the policy) will not exceed 100% of Your Monthly Earnings unless otherwise stated in this certificate.

What Are Deductible Sources of Income And How Do They Affect My Benefits?

Deductible Sources of Income are other income benefits You are eligible to receive because of Your disability or retirement. These benefits are taken into consideration when Your Monthly Benefit is calculated and may reduce Your Monthly Benefit.

We will only subtract Deductible Sources of Income which are payable as a result of Your disability, with the exception of retirement payments, amounts earned or received from any form of employment and amounts received from any unemployment compensation law.

We will subtract from Your Gross Monthly Benefit the following Deductible Sources of Income:

1. The amount that You receive under:
 - a workers' compensation law;
 - any state or federal occupational disease or injury law.
2. The amount that You receive as disability income benefits under any:

 - voluntarily elect to receive as retirement benefits under Your Employer's Retirement Plan;
 - receive as retirement benefits when You reach the later of age 62 or normal retirement age, as defined in Your Employer's Retirement Plan.

Disability income payments under a Retirement Plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement benefits will be those benefits that are paid based on Your Employer's contribution to the Retirement Plan. Disability income benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the Retirement Plan are distributed, We will consider Your and Your Employer's contributions to be distributed simultaneously throughout Your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible Retirement Plan. We will use the definition of eligible Retirement Plan as defined in Section 402 of the Internal Revenue code including any future amendments that affect the definition.

6. 100% of the amount You receive under the Admiralty and Maritime Law, maritime doctrine of maintenance, wages and cure. This includes only the "wages" part of such benefits. The amount You receive under Title 46, United States Code Section 688 (The Jones Act) and the Doctrine of Unseaworthiness.
7. Disability income benefits received under state disability income benefit plans and state family leave benefits, or any other compulsory benefit act or law, where permitted by state law.

10. 50% of Your Disability Earnings.

We will not reduce Your payment by Your Social Security retirement income if Your disability begins after age 65 and You were already receiving Social Security retirement payments.

What Are Not Deductible Sources of Income?

What Happens When You Receive A Cost Of Living Increase From Deductible Sources of Income?

Once We have subtracted any deductible source of income from Your Gross Monthly Benefit, We will not further reduce Your Monthly Benefit due to a cost of living increase from that source.

What If We Determine You May Qualify For Deductible Income Benefits?

As used in this section, "Government Retirement Plans" include disability and retirement benefits under:

- the federal Social Security Act, Jones Act or Railroad Retirement Act;
- the Canada Pension Plan or Quebec Pension Plan;
- any similar plan or act of any country, state, province or other political unit; or
- any plan provided in place of one of the above plans; except for the State Teachers Retirement Fund, or the State Public Members Retirement Fund.

Estimating Offsets

When We have a reasonable basis upon which to believe that You will qualify for Social Security or other Government Retirement Plan benefits under standards set forth by the Social Security Administration, We will provide You the following options to offset an overpayment of benefits:

1. Reduced Monthly Benefits

You may receive Monthly Benefits reduced by estimated Social Security or other Government Retirement Plan benefits while a claim for benefits is pending. Aflac NY will adjust Our benefits and will refund any underpayment, in a lump sum, upon receiving Proof of:

- the amount actually awarded; or
- the claim denial and completion of any appeal the Company requires.

2. Unreduced Monthly Benefits

You may receive unreduced Monthly Benefits while the claim is pending. You must agree to promptly refund any overpayment that results, in a lump sum, upon receiving Social Security or other Government Retirement Plan benefits. You must sign Our reimbursement agreement form. This form states that You promise to pay Us any overpayment caused by an award.

If You do not promptly refund an overpayment:

- We will reduce or eliminate future payments; and
- the Minimum Monthly Benefit will not apply, until the amount is repaid.

We will only offset policy benefits at Your request. You may opt out of Your request to allow Us to estimate these amounts at any time. If You choose to opt out, then We will repay any monies withheld to which You are entitled.

What Happens If You Receive A Lump Sum Payment?

If You receive a lump sum payment from any deductible source of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, We will use a reasonable one.

What is the Minimum Monthly Benefit?

If Your Monthly Benefit is reduced to zero due to subtracting Deductible Sources of Income, You will receive a minimum Monthly Benefit. Your minimum Monthly Benefit is listed on the Schedule of Benefit.

We may apply Your minimum Monthly Benefit toward any outstanding overpayment.

The minimum Monthly Benefit will not be paid in any month when Disability Earnings exceed 80% of Your Indexed Monthly Earnings. This includes when We average Your Disability Earnings as described above.

WHEN WILL DISABILITY INCOME BENEFITS STOP OR NOT BE PAID?

When Will Disability Income Benefits Stop?

Your claim will end and benefits will stop on the earliest of the following:

- the end of the Maximum Period of Payment;
- the date You are no longer disabled under the terms of the plan;
- during the first 24 months of benefits, when You are functionally able to work in Your Regular Occupation on a Part-Time Basis, increase Your hours, or increase the number or type of duties You perform in Your Regular Occupation, but You choose not to;

How Does A Pre-Existing Condition Limitation Period Effect My Monthly Benefits?

What Is A Pre-Existing Condition?

You have a Pre-Existing Condition if both 1 and 2 are true:

1. (a) You received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines, except for maintenance drugs prescribed for a previous condition and for which You are asymptomatic, within 90 days just prior to Your effective date of coverage or the date an increase in benefits through amendment or Your enrollment in another plan option, would otherwise be available; and

[(b) or You had symptoms for which an ordinarily prudent person would have consulted a health care provider in the 24 months just prior to Your effective date of coverage or the date an increase in benefits would otherwise be available; and
2. the disability begins in the first 365 days after Your effective date of coverage.

How Does A Pre-Existing Condition Affect An Increase In Your Benefits?

If there is an increase in Your benefits due to an amendment of the plan; or Your enrollment in another plan option, the increase or new plan option will not take effect until Your disability ends.

Payable Benefits After The Pre-Existing Condition Limitation Period Ends

If You continue to be disabled due to a Pre-existing Condition on the date You have satisfied the Pre-Existing Condition Limitation Period, your Monthly Benefit will be payable for the full amount for that disability provided that You have satisfied the Elimination Period and all other provisions that affect Your eligibility for coverage and benefits.

Credit For Pre-Existing Conditions

If this Certificate replaces another disability income certificate or individual policy, Your coverage under this Certificate shall not limit or exclude coverage for a Pre-existing Condition that would have been covered under Your Prior Plan. Time periods applicable to Pre-existing Conditions will be waived to the extent that similar limitations or exclusions were satisfied under the coverage being replaced.

Elimination Period

The Elimination Period will run concurrently with this Pre-Existing Condition waiting period.

What Disabilities Have A Limited Pay Period Under Your Plan?

We will pay disability income benefits on a limited basis for a disability caused by, or contributed to by, any one or more of the following conditions:

The lifetime cumulative *maximum benefit period* for all disabilities caused by or contributed to by mental disorders; alcohol abuse and drug abuse or dependency; is 24 months during *your* lifetime.

Benefit Extension for Mental Disorders

We will continue Your benefits beyond the maximum benefit period if You meet one or both of these conditions:

1. If You are Confined to a Hospital, Health Facility, or Institution at the end of the 24 month period, We will continue Your benefits during Your Confinement.

If You are still disabled when You are discharged, We will continue Your benefits for a recovery period of up to 180 days.

If You become re-Confined at any time during the recovery period and remain Confined for at least 14 days in a row, We will continue Your benefits during that additional Confinement and for one additional recovery period up to 180 more days.

2. In addition to item 1, if, after the 24-month period for which You have received benefits, You continue to be disabled and subsequently become Confined to a hospital or institution for at least 14 days in a row, We will continue benefits during the length of the re-Confinement.

- Your disability had continued for 180 days; and

Vocational Rehabilitation Program

We have vocational rehabilitation services available to assist You in returning to work to the extent of Your ability. We will review Your disability income claim to determine whether You are eligible for these services. In order to be eligible for vocational rehabilitation services and a Vocational Rehabilitation Monthly Benefit, You must be medically able to participate in a return to work plan.

Your claim file will be reviewed by a vocational rehabilitation professional to determine if rehabilitation services might help You return to gainful employment. As Your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work plan.

We will make the final determination of Your eligibility for these services. Nonparticipation in a Rehabilitation plan shall not affect Our determination of whether You are disabled.

If We determine that vocational rehabilitation services are appropriate, We will provide You with a Written Vocational Rehabilitation Program developed specifically for You.

We will pay an additional benefit as shown in Schedule of Benefits of 10% of Your Gross Monthly Benefit to a maximum of \$500 per month not to exceed 24 months.

This benefit is not subject to policy provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income. However, the Total Benefit Cap will apply.

This Proof shall be In Writing and satisfactory to Us.

You or Your Employer must notify Us immediately when You return to work in any capacity.

To Whom Payments are Made

We will pay Your benefits to You or to some beneficiary or beneficiaries designated by You, other than the Policyholder. If any amount for which We are liable remains unpaid when You die, We will pay that amount, in accordance with New York

Insurance Law § 4235(e), to Your Eligible Survivor or, if none, to Your estate. If, however, it is necessary for the establishment of a guardianship or conservatorship, or appointment of a trustee, executor or administrator, We may withhold further benefits until sufficient evidence is provided to Us that any such establishment or appointment has been finalized. We may require You to be examined by one or more Physicians, other medical practitioners, or vocational experts of Our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so during the pendency of a claim. We may also require You to be interviewed by Our authorized representative. Your failure to comply with this request may result in denial or termination of benefits.

It is a crime if You or the Policyholder to commit insurance fraud and may subject such person to criminal and civil penalties. Such penalties include, but are not limited to fines, denial or termination of insurance benefits, recovery of any amounts paid, civil damages, criminal prosecution, and penalties.

What Are the Time Limits for Legal Proceedings?

Claims Procedures

We will give You notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if We determine that such an extension is necessary due to matters beyond the control of the Plan and We notify You of the circumstances requiring the extension of time and the date by which We expect to render a decision. If such an extension is necessary due to Your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and You will be afforded at least 45 days within which to provide the specified information. If You deliver the requested information within the time specified, any 30-day extension period will begin after You have provided that information. Notice may be provided in Written or electronic form. Electronic notices will be provided only when You give Your consent to receive the notice.

Right to appeal if there is an Adverse Benefit Determination

You or someone You name to act for You (authorized representative) may file an appeal. If someone files an appeal on Your behalf, You must let Us know that You have appointed this person as Your authorized representative. Your appeal must be In Writing and sent to Us. When You send Your appeal, You may include written comments, documents, records or other information related to Your claim. You may appeal the entire decision or part of the decision. Your appeal must be sent within 180 days of receiving the notice of the denial.

You are entitled to receive, upon request, free of charge any copies of documents, records, or other information relevant to the claim determination.

The appeal will be reviewed, and a determination notice will be sent within 45 days of receiving the appeal. Sometimes, it will take longer to review the appeal because additional information is needed to make a decision. If this happens, within 45-days, We will let You know that an extension is necessary and the reason for the extension.

The appeal will be reviewed by someone who did not make the initial decision. This reviewer will look at all the information submitted and may consult with a qualified medical professional. The appeal reviewer will not give consideration to the initial decision. The appeal reviewer will review the evidence and the rationale that was included when the benefit was first denied.
